# Project Process

About / Services / Portfolio / Project Process / How to Proceed

Provide us with a brief and/or a description of your need  
We will then produce a fully costed proposal

Once all sides are satisfied with the proposal  
We begin work on receipt of written acceptance  
and provide you with visuals/content for approval throughout the project

As a project is completed, we review the process  
and make recommendations for further project work

Call : 07879 637 159 or Email : [info@rubberdragon.com](mailto:info@rubberdragon.com)

# How to Proceed

About / Services / Portfolio / Project Process / How to Proceed

To proceed send us a few words about your requirement  
or contact us to arrange a meeting

Think about your marketing and presentation materials,  
and your website! Changes & updates could improve business!

design plays a crucial part in the sales process  
and can add significant value to your product/service
